Dear Pre-Kindergarten Parents,

Sauganash administration and the Pre-K team would like to provide parents with a snapshot of “A day as a Sauganash Pre-Kindertener.” In Pre-K, it is our goal to develop the whole child. There will be a big emphasis on Social Emotional Learning and creating meaningful relationships. Students will learn mainly through play as teachers facilitate learning by asking questions and modeling expectations. Each classroom has a main teacher and a classroom aide. In addition, parents are asked to volunteer to help support small group instruction and create a stronger home-school connection. Below you will see a breakdown of the Pre-K day:

8:00 - 8:30am - School Arrival, Breakfast, Welcome Activities

8:30 - 10:00am - Morning Meeting, Interest Area Centers

10:00 -11:00am - Specials (Gym, Music, Art, STEM, Spanish)

11:00 -12:00pm - Lunch & Recess

12:00 - 1:00pm - Rest Time and Read Aloud/Phonics
