CPS Contingency Planning for CTU Strike

Dear Sauganash School Community,

In the event of a CTU strike:

- All classes and extracurricular activities will be canceled
- We encourage you to keep your students at home or at a non-CPS facility during the strike
- School will not be in session, and no attendance penalties will be incurred
- For those families that do not have that option, school buildings will remain open for the normal bell schedules (8:00-3:00) led by myself and our non-CTU staff members. Additionally, Chicago Park District and Chicago Public Library will also be available to students.
- **To find the most convenient site for your family visit cps.edu/strikeplan or call 311**

Where To Find More Information:

If Sauganash Parents are interested in having your child attend a CPS school while the strike is occurring parents should visit [Strike Plan Options](#) where you will be prompted to sign up your child(ren) using the Chicago Public Schools (CPS) Contingency Site Student Registration Tool. There will be a form within this tool to let CPS know your child(ren) will be joining us at a CPS school.

IMPORTANT NOTE: You'll need your student's ID number to register them. The Student ID can be found on the student progress report and report card. If you do not know your Student ID, please call [773-313-3574](tel:773-313-3574) or call 311.

- A child **MUST** be a registered CPS student to participate.
- Parks, libraries, as well as Safe Haven community and faith based organizations are also providing additional services for children. For more on those options, please visit cps.edu/strikeplan.

After entering your student's ID, you will be prompted to enter contact information and choose the site your student will be attending. If you have any questions, please call [773-313-3574](tel:773-313-3574) or call 311.

Important information from Kara Donaldson at Sauganash Park....

"If there is a CPS Strike starting on Tuesday, Sauganash Park is offering Play at the Park Camp from 8:30am-3:30pm for the duration of the strike. All participants must be registered and the program is free. If there are any 5 year olds that are in Kindergarten, they will need to register in person with the park staff. However, I would appreciate it if the parents can send me an email with the name of the 5 year old just so we can plan accordingly. All other participants who are 6-13 years old can register online.

All participants need to bring a lunch, drink, and snack. Food will not be provided.

All participants need to wear gym shoes."
