We are almost there!!! Monday is soon approaching and we cannot wait to get this year underway. We have some new staff, new families, new building, and much much more. Teachers and staff will be completing beginning of the year trainings and professional development as we prepare for the students arrival on Monday.

Mrs. Munns and Mr. Kennedy will be hosting a virtual parent information session on Wednesday to provide some insight and answer any last minute questions before we begin. The information is posted below.

If you have not yet gotten your school supplies, here are the [supply lists](#).

Specials Schedules

We are thrilled that we were able to reconfigure our specials schedules to make the learning more impactful. The specials teachers get to see the students multiple times a week and we increased PE minutes. We understand that these schedules are confusing at first glance, but after we get into our routine these are going to be great ways to build on our units. Some grades specials will rotate quarterly.

9-10am (1st/2nd Special)
