Happy Monday! We are sending a special Monday announcement/update because of the construction. With the upcoming demolition the construction team needed to extend the safety fence further towards Kilpatrick. This will create for some blind spots and other challenges with the morning commute.

Please see the detailed changes below so we can ensure safety moving forward and get our students in the building safe and sound.

Due to last week's weather the Covid tests were unable to be processed in the window of time, so no one received results. Sorry for the inconvenience. We completed this week's testing today for those students in the surveillance testing program.

\*Update\*

We moved to a 5 day quarantine, based on current CPS policy.

Going forward, if you child is fully vaccinated and symptom free they can continue with in-person learning, along with any students who previously had Covid in the past 90 days. This is only possible if your child's vaccine card & positive test is on file with the main office.

Our school continues see our vaccination rate climb as we reached **57.3%** of students being fully vaccinated as of 2/2/22.

## UPDATE!! Morning Commute & Drop Off

We will run the car traffic on Kilpatrick as normal, with the right light dedicated for one of the 3 Kiss & Go Drop off stops & the left lane for a pass through to get to Peterson or the final drop off near the playground.

The foot traffic and walkers, will be impacted effective tomorrow. We will ask anyone walking near Mr. Kennedy's corner to use the east side of the street, since our side will be covered by the safety fence. We will have an additional staff member to help cross the students near the kindergarten walkway. Unfortunately, this will require us to pause the flow on Kilpatrick. Please see the **blue line** below.

We appreciate your help with this as we know everyone has places to be in the morning. Please be patient as we work through our options to make this as safe and smooth for everyone!

**Morning Traffic Pattern & Parking**  
 At Sauganash we use a one way clockwise traffic pattern the entire way around school in the morning, starting at 7:45am (Orange Arrows).

If you have plans to walk your child to the door, you need to park off the campus block, so it does not disrupt traffic flow.

**Morning - 3 Kiss & Go Locations**  
 We have set up three kiss and go locations to assist with all grades in the morning. K, 1, 2nd should pull up to the "green X" and we will assist getting them out of the car. Same concept for 4/6th at the "Purple X" & "Pink X" for 3,7, 8th grades.

### Monday - February 7th LSC Meeting

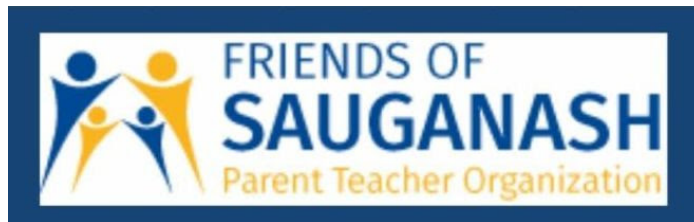

**Google Meet**
