Happy Sunday. Last week of 2nd quarter this week, let's finish strong!

Updates to Covid-19 Policies

- CPS plans on moving from a 10-day to a five-day quarantine period for cases of COVID-19. We know this change will provide more certainty for students, parents, and staff, and we are taking the time to get this right. We will provide staff and families with an update on our timeline next week (not in effect yet).
- Students who are fully vaccinated will not be asked to quarantine at home when they come into contact with someone who tests positive for COVID-19 as long as they are symptom-free
- For students who have tested positive within the last 90 days and are not fully vaccinated (2 weeks post their 2nd dose), quarantine will not be needed when there is an exposure in the classroom. If they develop COVID-like illness/symptoms, they should remain home and be tested. Families will be asked to provide proof of positive results and to report to cps.edu/covidresults.
- For students that test positive, they should not test again via the CPS surveillance testing after completing their quarantine because of the possibility of testing positive again for up to 90 days. After the 90 day period, they can resume surveillance testing at school.

Classes Flipped to Remote Currently & Return Dates

Kindergarten - Room 107: Return Date 1/31

2nd Grade - Room 203: Return Date 1/31

3rd Grade - Room 117: Return Date 1/31
