# Staying Home with Sniffles & Covid-19 Positive Update

Good Morning Parents,

We really appreciate everyone working together to keep our school community safe. Please be sure to self screen your child and if they are even a little bit unwell, please keep them home until they're 100%, we appreciate it,

If your child is Covid-19 POSITIVE, it is super important that this form gets filled out [https://chicagopsprod.service-now.com/health?id=cps\\_self\\_report](https://chicagopsprod.service-now.com/health?id=cps_self_report)  
This form provides the data to CPS, but also allows us to mark them for remote learning if they are feeling up to it. Even if your child contracted Covid during break and is at the tail end of their required quarantine period, it gives us the the exact dates for return and will help us to navigate through the process.

Thank you.

Mr. Kennedy
