[39th Ward Participatory Budget Meeting](#)

November 1, 2019

Dear Neighbor:

As your neighbors, we are writing to invite you to join us for a **39th Ward Participatory Budget meeting on Thursday, November 7th from 6:30 PM - 7:45 PM at Sauganash Park Auditorium Room, 5861 North Kostner Ave.**

WHAT IS PB? Participatory budgeting (PB) is a democratic process in which community members decide how to spend part of a public budget. **It gives people real power over real money.** PB began in Brazil in the 1980's and since then, municipalities, counties, and cities across the globe have adopted PB, and the United Nations has promoted it as a best practice of democratic governance.

In 2009 residents of Chicago's 49th Ward held the first PB vote in the United States, led by Alderman Joe Moore. In 2012, the third year of PB voting in Chicago, PB Chicago was formed to help support, implement, and expand PB processes across the city. **Since then, Chicago residents in participating aldermanic wards have voted on how to spend the \$1 million in "menu money" for infrastructure improvements that City Council allocates to each ward.** PB Chicago has successfully implemented six voting cycles across the city; engaging more than 26,000 residents in 12 wards in directly deciding how to spend approximately \$31 million on over 160 community projects.

The 39th Ward has officially joined PB Chicago and is diligently working to engage residents in group discussions to help identify projects and related costs and benefits. **Deadline for brainstorming project ideas is November 15, 2019;** the projects will be voted on in mid-January 2020 by an estimated 55,000 residents in the ward including individuals age 14+. **A budget of \$500,000 has been set aside for our initiatives!**

Please RSVP to kitty.vorisek@gmail.com no later than 6:00 PM on November 6, 2019. We look forward to seeing you there!

Your community representatives,
Kitty, Myrna, Kathy, Kiersten and Mary Lou
