### Hugh Congrats to our entire Cross Country

Our 20 runners competed this morning at Hanson Park School & Stadium for their Regional Meet! All of the student athletes did an amazing job with such a short season and limited practices. All of our athletes crossed the finish line with some of their best times of the season!!

Olivia Catarello and Mara Finnigan finished 1st, 2nd respectively in the 5/6th Girls 1 Mile Race and Sophie Halliday in top ten. Additionally, Luke Alvarez finished 4th in the 5/6 Boys 1 Mile with Rayan Razi, Sam Assefa just behind. Andrea Paz (4th), capped off top 10 finishes for #TeamSauganash.

Shout to all of the athletes/parents for their dedication to the health protocols all season as well as, Coaches Bertini, Gustafson, & Lopez. Also Mr. Zumbahlen and Ms. Sopena for their assistance/coordination this season!
