Dear Sauganash Families,

Today at 2:15 we were notified by the Lincolnwood Police Department that there was a police pursuit of a stolen car from Old Orchard/Niles North High School. The car was banded at the corners of Cicero and Peterson. As a precaution we went on a soft lockdown and then were informed by the Chicago Police Department it was safe to dismiss our students at our regular dismissal time. All staff members were present at dismissal to make sure all students were safe and with their parents.

Our highest priority to keep our students safe.
