Thank you for your patience this morning with our new schedule changes! Unfortunately, not all of the Google Classrooms updated, even though these changes were made on Friday. We will work hard to try and get those updated by the end of the day.

Please remember that these schedule changes only affect students in 3-8th grade with changes to their SPECIALS classes and homerooms. They will not report to their specials classes with the section group, (ex: 3-1, 3-2, 3-3).

Please see the schedules below and reach out to your child's teachers if you are having problems. Again, thanks for your patience. These schedule changes were made with the long haul in mind and will help to create a smooth rest of the school year!
