We were hoping to hold off on this until a return; however, we have many grades that are completing Volume 1 of their Math Book and need Volume 2. In addition, students that have STEM this quarter will be receiving items for their curriculum along with other content areas.

Thank you for your teamwork on this. Please enter Door #9 on Kilpatrick to enter the GYM. Please reach out to your teacher with any questions.

We have had a long standing partnership with Sauganash Park and know our students would greatly benefit this project being voted on for Cycle 2.

Sauganash Park Baseball Diamond Improvements

Description: Sauganash Park has 2 baseball diamonds in need of replacement. Frequent flooding even after moderate rain, overgrown weeds, and small holes have become all too common in recent years, causing frequent cancellation of games. The baseball league that plays at Sauganash Park is one of the 5 largest leagues in Chicago and the park is very busy with camps during the summer months.

Location: Sauganash Park, 5861 N. Kostner Avenue

Cost: \$140,000
