This week has been great! I know internally the staff has been very pleased with how smooth it has gone and we hope to continue tomorrow & Friday! As always, we will be looking for growth opportunities. Reminder for our Shift B students tomorrow morning.....the [health screener](#) needs to be filled out prior to drop off. Thank you so much!

A Few Reminders

- Please remember that dogs are not allowed on campus during arrival or dismissal time
- Anyone on campus needs to wear a face covering! We appreciate the teamwork on this
- Students will go outside for recess, please dress appropriately
- Traffic around the campus block is continuously moving, please do not park on these streets. If you use the kiss & go locations, staff will assist getting child out
