Amazing first day of Quarter 4!! Our students have not complained, continue to work hard, and continue to show up with maximum focus each day! Bravo to the students, staff, and families for their continued efforts as we move forward.

As always a reminder to please make sure you complete the [required health screener](#). Having this completed prior to arriving on campus makes for a smooth transition into the building for your child, so we thank you for your attention to this!

**UGH....the COLD REMAINS**

So lovely Chicago has decided to hold onto the cold weather for now. If you child is in hybrid learning, please make sure they are dressed appropriately with coats, hats, gloves, etc. Recess is a full 30 minutes and we want to make sure our kiddos are comfortable.
