## **Suspension of grab-and-go meal sites and all other school and administrative office activities tomorrow, 6/1.**

Dear CPS Families and Staff,

The safety of our school community is top of mind, and we are closely monitoring the situation in our city.

Based on the evolving nature of activity across the city, we are suspending grab-and-go meal sites and all other school and administrative office activities tomorrow, 6/1. This decision was made out of an abundance of caution and in recognition of the potential challenges families and staff could face trying to reach school buildings and offices tomorrow. Staff will telework, and remote learning will proceed as scheduled.

We will continue to closely monitor the situation, and we will provide an update on the status of activities for Tuesday, 6/2.

Please stay safe and if you need assistance do not hesitate to contact the CPS Command Center at 773-553-KIDS (5437) or [familyservices@cps.edu](mailto:familyservices@cps.edu).
