CPS Capital Budget Hearings

We are looking for a large group of parents to attend to show our support for our LSC representative to speak. There will be one speaker, but we would like to have a group of parents attend and stand while our representative is speaking to show how important we think this is and to show a united consensus from our school community.

We will be presenting the posters of each of the overcrowded classes, parents signature pages, and Alderman Laurino's letter of support to additional space.

Thursday, July 19th

**We are asking parents to be present between 6-8pm
(At least until our Sauganash LSC member speaks)
Truman College, 1145 W. Wilson Ave.**
