Good Afternoon Sauganash Families:

We wanted to thank everyone for attending Organization Week last week, it was amazing see all of our families and welcome our new families. As we mentioned in last newsletter, we will be hosting a Google Classroom Tutorial session on Thursday evening to help get prepared for the start of remote learning. Information below...

We have a couple items this week for [Kindergarten Orientation](#) to help everyone get comfortable before we begin next week. Kindergarten families will be able to pick up their items & Chromebooks at their Meet & Greet next Friday. [Sign Up Genius Here](#)

Deadline - August 31, 2020

DREAMBIG
**Performing
Arts Workshop

**Virtual After School Enrichment
Fall 1 Classes**

If you love musical theatre, Dream Big Performing Arts' after school enrichment classes are for you! Through drama games, improvisation, music, and movement, students will learn the fundamentals of theatre while having a blast. In this unique class format, students will collaborate to create their very own original play using their favorite songs, characters, and themes from hit musicals. The session culminates in a one-of-a-kind virtual performance.

For more class information and to register,
visit dreambigperformingarts.org/after-school-enrichment or
call (773) 944-9146.

Amazing Minds is an after school enrichment program dedicated to giving children a life-long love of learning! We encourage the intellectual, creative and social growth of each child while enhancing the grade school curriculum.

We have adapted our curriculum into the virtual setting and are very excited to be able to offer our AMAZING families this opportunity!

- **Live Virtual classes (K-2nd) offered once a week M-TH 4-4:40 PM. Fall session begins week of 9/7. To register please visit www.myamazingminds.com.**

Animal kingdom ♦ New York, NY ♦ Save the Earth ♦ Sharks, Whales & Dolphins ♦ China ♦ Washington DC

Computer connections/Mathematical mysteries ♦ Let's experiment! ♦ Native Americans

Latest CPS Communication

Dear CPS Families and Staff,

CPS and the City of Chicago are [surveying](#) families to better understand who may need help this fall finding a safe space for their children during traditional school hours. As we assess parental needs throughout the city, we are evaluating opportunities to provide potential support with child supervision for families who have school-age children under 14 years of age.

Families who live in high-need communities or transitional housing will be prioritized.

We are currently evaluating potential opportunities to establish sites across the city where families can register their children to attend during remote learning days. Here is what a family may expect at a potential child supervision site:

1. Children will be assigned to spaces with children of the same age group and an adult who will be assigned to the group for the duration of the program. The number of children per room will be limited to ensure proper social distancing per City of Chicago's [Be Safe: PK-12 Education Guidelines](#).
2. While the adult will ensure that your child will have a safe and suitable space to engage in remote learning, please note that they will not be qualified to teach or provide educational support.
3. Children will be provided with breakfast and lunch every day.
4. Children and staff will be required to follow all health and safety protocols including wearing a mask, practicing social distancing, and completing a daily symptom screener.
5. To ensure proper social distancing, families will follow a staggered schedule and be assigned a time to pick up and drop off their children.
6. This program will be prioritized according to need. Families with school-age children under 14 years of age who live in high-need communities or transitional housing will be prioritized.
7. Computing devices will not be provided although high-speed internet access will be available at the site. Families are required to bring their own computing devices or get a loaner device from their child's school.

If you are interested in potential assistance, please complete the survey by Friday, August 28, at 5 p.m. Please be sure to provide your contact information so we can follow up in the coming weeks.

Sincerely,

LaTanya D. McDade
Chief Education Officer
Chicago Public Schools
