*Dear Sauganash Families,*

*Our goal this year is to ensure that every student attends school everyday and arrives on time. Our attendance goal this year is 96.3%. To date we are on-track with our week one attendance rate of 98%. Absences represent lost opportunities to learn in the classroom. Parents we need your support to promote excellent school attendance to prepare students for success in school, on the job, and in life.*

*Make Everyday Count! Thank you for your support - We appreciate it!!*

## PARENT ORIENTATION NIGHT - TOMORROW

Parent Orientation Night is tomorrow evening. Come through Door #1 as it will begin in the Zalinski Cafe.

**K-4th** - 5:30 - 6:30pm

**5-8th** - 6:30 - 7:30pm

## PTA - Family Fun Night

**Friday, September 22, 2017 (5:30-7:30)**

We would love to have volunteers help us with set up, clean up, or anywhere in between! Please click the Sign Up Genius below to volunteer.

## Construction Update from the Engineer

Good Afternoon,

This is an update of the construction on the Peterson and Hiawatha Sewer Improvement Project.

### West Peterson Avenue

Restoration of the roadway on the south side of Peterson Avenue has been completed. The Stage 2 traffic switch will happen on Monday, September 11<sup>th</sup>, weather permitting. This traffic set-up will be a mirror image of what it is currently, with eastbound and westbound traffic sharing the south side of Peterson. Underground work will continue on the north side toward the North Hiawatha Avenue and North Forest Glen Avenue

intersection. The restoration of the north side of West Peterson Avenue will begin as soon as the underground work is completed.

### **North Hiawatha Avenue**

With work beginning just last week in the intersection of North Hiawatha Avenue and North Forest Glen Avenue, the new 54-inch sewer pipe has almost been installed to the North Kirkwood Avenue intersection. The crew will be cleaning the road and moving to the north side of West Peterson Avenue next week to complete the 60-inch sewer connection to North Forest Glen. We anticipate the installation of this 60-inch sewer to be two weeks.

A map detailing the completed work and forthcoming work is attached. We do not foresee any issue with the CTA or sanitation services concerning the traffic switch on West Peterson Avenue.

**Ed Benesh, P.E.**  
**Resident Engineer**
