Dear Parents of 3rd-8th grade students:

Sauganash School and the PTA have provided Chromebooks for the 3rd through 8th grade classes. We have been able to assign a Chromebook to each student with the understanding that the risk of damage must be shared with each family. With that in mind, we have located an insurance company that is offering coverage for your child's Chromebook under \$45 per Chromebook per year.

You must obtain your child's Chromebook serial number from their teacher in order to purchase the coverage. Please email their teacher directly. Coverage is available for one, two, three or four years. You can purchase the coverage through the following portal: (this is a secured URL)

Alternatively, you may complete and mail in the form linked to the website. Please see Worth Ave Group website for questions: <http://www.worthavegroup.com> or call them directly at 800-620-2885.
